

Dear Friends. We are Freerangers, a small company making vegan footwear, handbags, purses, belts and more.

We have been trading since 1999. We are making every single product by hand, using traditional methods. Recently we have been unfortunate in our business endeavours: our shoe soles supplier went into administration, forcing us to find a new manufacturer in Europe. We need your support to transport the soles moulds to Europe at a cost of up to £750 per pair.

Please order from us. We sell online: www.freerangers.co.uk, or call us on: 01207 565 957. Our email is: info@freerangers.co.uk.

Thank you very much for all your support
