

# Francis Camfield Trust – Trustees

Quaker  
recognised  
body

**The Trust would welcome applications from Quakers who wish to become Trustees.**

Trustees meet by zoom three times a year to consider grant applications and other general Trust business. Trustees meet in person in March each year for the AGM.

We would particularly welcome interest from Quakers with connection to the London region, the South West, or the South East.

This is an excellent way to get involved with small-scale grant making. No previous experience is required as the current longstanding Trustees provide an extremely supportive setting within which decisions are made.
