

Quaker
Tapestry

TRUSTEES REQUIRED

Quaker Tapestry Ltd, which provides wonderful Outreach opportunities for the Society, is currently looking to enhance the strengths of the existing board by recruiting new Trustees from across British Yearly Meeting. The role of trustee is vital for determining the overall direction of the organisation, holding the organisation to account and providing leadership.

Experience of finance, IT, fundraising, exhibitions/museums and marketing (including membership management) would be useful. We also need those who are enthusiastic about textiles and embroidery, creative and forward-looking to help our business thrive.

Please contact us on info@quaker-tapestry.co.uk for details.
