

# BAYEAUX TAPESTRY IN LONDON: QUAKER TAPESTRY AT KENDAL

Quaker Tapestry panels were actually exhibited in Bayeux in 1990.

The Quaker Tapestry Collection Trust (QTCT) which owns the tapestry panels and related artefacts, has launched the Futures Appeal to create a fund to work towards a sustainable future for the Collection. Changes in arrangements for display are still under discussion with Quaker Tapestry Ltd.

Your donations now will help:

- Extend the current reopening of Quaker Tapestry at Kendal Meeting House;
- Provide for professional support and other core costs;
- Develop more educational and outreach activities;
- explore new ways to display parts of the collection.

## QUAKER TAPESTRY FUTURES APPEAL

Our current appeal is to Friends and Meetings to help raise £100,000.

?? 100 gifts of £1,000, 200 gifts of £500, 1,000 gifts of £100 ??

However, all donations, large or small, are greatly valued and add up, especially if Gift Aided. Legacies and lifetime gifts would also greatly help Quaker Tapestry.
